## BOYS AND GIRLS JUNIOR SECTIONS 2009-10

Following on from the pilot scheme last year we continue to develop the England Hockey Single System throughout Derbyshire.

It continues to be a time of transition but we hope that everyone will benefit from the new structure. We welcome any feedback and ideas that teachers, coaches, players and parents may have as the programmes will need to evolve over the forthcoming years

There will be three Junior Development Centres (JDCs) within the county to which all hockey players are invited

These will be held at Foremarke School,( South), Anthony Gell School, Wirksworth ( Central) and St Marys RC School, Chesterfield (North) and dates and times are in the booklet.

The Centres will be lead by Level 2 coaches and are the first rung of the player pathway. The emphasis is on skill development and will allow players to be assessed and possibly selected for progression to Junior Academy Centres (JACs). These will run after Christmas. These replace the County teams and will compete with JACs from other Counties. Those players not progressing to JACs will be encouraged to continue with school and club hockey and will be provided with information on local activity until the JDCs begin again the following season.

Children wishing to attend a JDC should choose the one closest and most convenient for them and complete the registration form (attached as a separate document). The cost is £3 per session

There will also be School competitions at U13, U14, U16 and U18. More information is provided later in the booklet.

All school and clubs wishing to participate must complete the affiliation form enclosed in this booklet to ensure that the organisers have up to date information and contact details.
